

3D-animation based courses on good practices

Find them under the [Agribusiness e-Academy](#) by ABF

Basic courses: For micro, small and medium sized agricultural entrepreneurs

Advanced courses: For agribusiness professionals, teachers, trainers and extension agents

Click on the tiles to access the courses

What you can expect in these courses

- Obi and Aminat share their business secrets
- Each module consists of one short 3D-animation clip followed by a quiz
- You can download important materials e.g. cropping calendars & videos in small size
- Difference between basic & advanced courses: Multiple or single choice vs open quiz questions
